Presents

The 2009 Long Range Buffalo Match Schedule

The matches will be held at the Golden Spike Buffalo Range on the following dates:
(See the map for directions)

June 6-7, 2009

September 12-13, 2009 <http://goldenspikerrange.com/>

The course of fire for Saturday will be 30 shots for score in the Creedmoor Match: 10 shots each at 800yards (4x6' Creedmoor Target), 900 yards (5x7' Creedmoor Target), and (1,000 yards (6x8' Creedmoor Target). The Buffalo Match will be: 20 shots at 1,123 yards (6'x11.5' Buffalo Target).

The course of fire for the second day Grizzly Match will be 60 shots for score, 10 shots each at 200 (offhand), and 300 to 600 yards any position using cross sticks.

Any pre-1896 single shot rifle, or replica, shooting a cartridge originally designed for black powder, and equipped with iron sights may be used. All ammunition must be loaded with black powder or a black powder substitute, and plain based lead bullets. Smokeless powder will be allowed, but will not compete for prizes.

The match will begin **promptly at 0900** each day with practice starting as soon as it is light enough to shoot.

Entries are limited to 40 shooters. Fee for the match will be \$60.00 for both days or \$40.00 for one day with trophies for the top three competitors in Grizzly, Creedmoor and Buffalo matches, and to the "Top Gun" of the aggregate of all three.

Prizes: We will have drawings each day for prizes, and on Sunday for a big prize, like a custom knife or similar.

Camping at the range is available for all shoots for \$10. Toilet facilities are available at the range, but no water is available so plan accordingly. The range will be open on Friday prior to the match for practice.

Side Matches: We will have the 200 yard bowling pin pot shoot on Saturday evening. Bring your single shot .22 for some long range smallbore shooting (500 yards).

Send entry form or contact either:

The **Golden Spike Buffalo Range** is adjacent to the Golden Spike National Historic Site in Promontory, Utah. The range can be reached from either I-15 North of Ogden, Utah, or I-84 West of Tremonton, Utah.

To get to the **Golden Spike Buffalo Range**, from I-15 take Exit 365, State Road 83, west to Corinne, then follow the signs to ATK and the Golden Spike National Historic Site. From I-84 take Exit 24, south to Howell Valley and follow the signs to ATK and the GSNHS. Once at the GSNHS turn left on the first service road past the railroad tracks with the “Authorized Vehicles Only” sign. There will also be small white buffalo signs directing you. Turn right up the driveway to the rangers’ house, then turn left just past the embankment surrounding the locomotive storage area. Go through the gate and follow the road to the right. Pass through the gate in the next fence and immediately turn left up the trail to the firing line at the top of the first small ridge.
