The 2009 Long Range Lever Action
Rifle Match
May 30th 2009

<http://goldenspikerrange.com/>

The course of fire for the Long Range Lever Action Rifle Match will be identical to our BPCR Grizzly match, 60 shots for score, 10 shots each at 200 (offhand), and 300 to 600 yards any position using cross sticks. The targets are steel of various shapes and sizes. 200 yd target is 12"X16" rectangle, 300 is an 18" round disc, 400 is a diamond 30" from tip to tip, 450 is a 30" circle, 500 is a 38" square with the corners cut off and a 10" swinger in the center, and 600 is a walking grizzly bear 40" tall and 50" long. We recommend that you bring at least 100 rounds.

Any pre-1899 lever action rifle, or replica, shooting a cartridge originally chambered in that particular model, and equipped with iron sights may be used. All ammunition must be loaded with **cast lead bullets** with or without gas checks.

The match will be held at the Golden Spike Buffalo Range. (See the map for directions) The match will begin **promptly at 0900** with practice starting as soon as it is light enough to shoot.

Entries are limited to 40 shooters. Fee for the match will be \$40.00.

Prizes: Ribbons will be awarded to the top three shooters. We will also have a drawing for other prizes.

Camping at the range is available for \$5. Toilet facilities are available at the range, but no water is available so plan accordingly. The range will be open on Friday prior to the match for practice.

The **Golden Spike Buffalo Range** is adjacent to the Golden Spike National Historic Site in Promontory, Utah. The range can be reached from either I-15 North of Ogden, Utah, or I-84 West of Tremonton, Utah.

To get to the **Golden Spike Buffalo Range**, from I-15 take Exit 365, State Road 83, west to Corinne, then follow the signs to ATK and the Golden Spike National Historic Site. From I-84 take Exit 24, south to Howell Valley and follow the signs to ATK and the GSNHS. Once at the GSNHS turn left on the first service road past the railroad tracks with the “Authorized Vehicles Only” sign. There will also be small white buffalo signs directing you. Turn right up the driveway to the rangers’ house, then turn left just past the embankment surrounding the locomotive storage area. Go through the gate and follow the road to the right. Pass through the gate in the next fence and immediately turn left up the trail to the firing line at the top of the first small ridge.
